Dear Geran Kaai,

At the occasion of your next DAPIX working group in Brussels, representatives from TechAmerica Europe would be delighted to meet with you for another informal dinner on:

- **14 November at 20:00** (reception with dinner starting at 20:30)
- At Restaurant l'Atelier, Rue Franklin 28, 1000 Bruxelles
- under the presence of the **Chief Privacy Officers** of:
  - **IBM:** [REDACTED] and,
  - **Adobe:** [REDACTED] (Bios attached).

We received very positive feedback from our last informal DAPIX dinner where 12 Member States participated in a very constructive and technical exchange of views on Data Protection solutions.

As well as being an opportunity to share views on any matters arising in Council at this time, our two guest speakers will lead a discussion how organisations derive insight from data to power improvements in their business. [REDACTED] will give a keynote speech on the trends creating new and powerful opportunities for society and business and the implications for personal privacy.

We would be grateful if you could confirm your attendance and indicate whether you prefer a vegetarian menu by **Friday, 2 November COB.**

Should you not be able to participate, please feel free to provide a representative that could attend on your behalf.

We look forward to seeing as many of you as possible. For any further questions, please do not hesitate to contact our managing director, [REDACTED], [REDACTED], or our DP manager, [REDACTED] ([REDACTED]).

Kind regards,  
[REDACTED]

[REDACTED]  
(Chief Privacy Officer Adobe)

We received very positive feedback from our last informal DAPIX dinner where 12 Member States participated in a very constructive and technical exchange of views on Data Protection solutions.

[REDACTED]  
(Chief Privacy Officer IBM)

As well as being an opportunity to share views on any matters arising in Council at this time, our two guest speakers will lead a discussion how organisations derive insight from data to power improvements in their business. Christina Peters will give a keynote speech on the trends creating new and powerful opportunities for society and business and the implications for personal privacy.

We would be grateful if you could confirm your attendance and indicate whether you prefer a vegetarian menu by **Friday, 2 November COB**.

Should you not be able to participate, please feel free to provide a representative that could attend on your behalf.

We look forward to seeing as many of you as possible. For any further questions, please do not hesitate to contact our managing director, [REDACTED] ([REDACTED]), or our DP manager, [REDACTED] ([REDACTED]).
