

Support Bits of Freedom. Become a corporate donor!

By supporting Bits of Freedom, you show that your company is committed to online privacy and internet freedom. We are very happy with all our donors! That is why we invite you to our networking events and drinks get-togethers, so that we can get to know each other and allow our corporate donors to also get to know each other.

All our corporate donors are proudly mentioned on our website and in the annual report. If you would like to receive some Bits of Freedom T-shirts or webcam covers, we will send them to you.

In addition, if requested, we also give a lecture once a year at our largest donors on a subject related to Bits of Freedom. This group of donors is also entitled to tickets for the Big Brother Awards. This is an event organized by us in which we put the spotlight on the biggest privacy violators of the past year.

Our donors come in all shapes and sizes: from self-employed individuals to large companies. Because our corporate donors are so diverse, we have created five different categories, plus an extra category for self-employed individuals. This makes it possible for every entrepreneur to become a Bits of Freedom donor and to join us in campaigning for a free internet. All categories pertain annual donations. If your company wishes to sponsor us in another way, we are happy to discuss this with you.

- **Petabit** - ≥ € 10,000 (up to a maximum of ten percent of our continuity reserve), 5 tickets for the Big Brother Awards + a lecture by one of us for your organization.
