Re: Your request for publication of EU encryption questionnaire of 24.11.2016

Dear Lucie Krahlcova!

Regarding to your request for publication of the Austrian answers to the EU questionnaire on "Encryption of data" (doc. 12368/16) we have to draw your attention to Regulation (EC) No 1049/2001 of the European Parliament and the Council of 30 May 2001 regarding public access to European Parliament, Council and Commission documents.

However, as the Federal Ministry of Justice highly values the concept of transparency in legislative processes and the active interest of society in this questionnaire, we are pleased to inform you that Austria has already agreed to the request of the General Secretariat of the Council for public access to the replies to the questionnaire and advise you to follow the procedures listed in the above mentioned Regulation.

Vienna, 16. December 2016

On behalf of the Minister:

Mag. Carmen Prior
